

Weekday Wild Rice and Apple Salad

April 2015, by Camine Pappas

This is a leftover creation. I encourage you to experiment!

INGREDIENTS:

1 ½ C leftover, cold, cooked Trader Joe's wild rice medley
3 celery stalks, chopped
¼ small onion
¼ to 1/3 C golden raisins
Handful of toasted pecans, rough chopped
1/2 C chopped fresh cilantro
1 large Fuji apple, diced
Juice from one lemon
Drizzle of mild olive oil
Salt and pepper
¼ C sweet Thai chili sauce

DIRECTIONS:

Mix all ingredients. Serve!

NOTE: You could easily add cooked shrimp, chicken, or even calamari...or for a really fancy twist, I suggest cold duck!
